

# Cumberland Music Service

## WANTED

### Suitably Qualified And Experienced Music Teachers/Tutors

Cumberland Music Service is wholly owned by Cumberland Council and offer Music Services to schools throughout the Cumberland area. We are also a major partner of Cumbria Music Hub.

Due to planned expansion of programmes we are seeking to enhance our existing bank of Freelance Tutors to deliver exciting programmes to school pupils in whole class tuition (WCET/CIL) and small group instrumental tuition, in:

- Strings (particularly violin/cello)
- Guitars/ukuleles
- Brass (particularly trumpet/cornet/trombone)
- Woodwind (particularly clarinet/flute) and Percussion (particularly Djembe).

We have an increased demand for lessons across the Cumberland area, particularly in the West, and our aim is to inspire pupils of all ages to develop involvement in music. Our lessons form part of our progression strategy, from Whole Class Tuition, to 1-1/group lesson, and hopefully then onto an ensemble group.

To apply, you will have an enthusiastic and energetic approach and an open mind to learning new techniques and approaches. QTS is not required, although experience of teaching is, along with evidence of suitable Instrumental Grade/Qualifications. and the ability to teach more than one instrument or instrumental family is desirable. You will also be computer literate with experience of using music technology, with good organisational skills.

Please note this is a self-employed role payable at £34 p/hour, and may involve teaching at several schools in one day.

We are looking for start dates of September 2024 in the main, but some could start earlier.
